About This Game

Congratulations! You now own the Globe Theatre! Set in the Tudor period, Fakespearean: Overdramatic gives you the chance to run one of the most famous theatres in the world before it reached the popularity it's known for today. It's up to you to put on a show and bring success to the Globe. Can you make it to be the number one theatre in the world?

Manage

Spend time at the Globe to plan the perfect play. Your writer can write you an exciting play to put on. Hire actors to perform in your theatre. Upgrade your theatre to improve its looks. You can also hatch eggs? Work hard to get your play to be perfect. If it does well you can earn money to upgrade the Globe and progress to becoming the best theatre in the world!

Perform

When it's time for a play you must don the mantle of Stage Hand. Keep the play running smoothly as you perform quick-fire tasks to keep trouble at bay. Play music, keep torches lit and scare off hecklers as you dart around the stage to protect the performance. Just try not to get overwhelmed!

Rise

Control the difficulty with modifiers. Control your experience so you can play to your skill level. Will you risk a harder game for better rewards? Only you can decide as you journey to become the greatest theatre in the world!
